

Dear friends in Over Wallop

I would like to thank you all so very much for the wonderful retirement gifts that you have given to Jacky and me. Your cheque for £1680 was just amazing, and will enable us to have a Summer house in our garden, which will be a real joy. Thank you also for the lovely photograph album which will remind me

of many happy occasions and friendships in each of the churches and communities.

We will miss you all, and thank you for making me so welcome as Team Rector in the years I have been among you.

With love

Peter & Jacky
