

**Volunteering and Help in Over Wallop – Covid-19**  
**DO YOU NEED HELP? YOU ARE NOT ALONE**  
**CALL 0800 612 7647**

Over Wallop Parish Council is coordinating a village wide effort to support those in our community who are vulnerable, isolated or ill during the Covid-19 pandemic.

Wallops Good Neighbours has generously offered to be the contact point for this support in the form of shopping, dog walking, prescription collection or telephone chats, as well as their core service of driving to medical appointments.

If you or anyone you know needs support please ring **0800 612 7647**.

We need many more volunteers to deliver this help and already offers have been coming in, for which we are really grateful. If you would like to be involved in the planning, communication or delivery of this essential support please contact **owpc.cllr.k.dixon@outlook.com**

Our milkman, Martin Shadwell, is still accepting new customers and can deliver milk, cream, eggs & fruit juice daily. Contact **07786 100977**.

The Wallop Village Shop is open for business and busy making sure the shelves are full for you.

We will be communicating via the Wallop Parish News, the Parish Council website (**overwallopparishcouncil.org.uk**), on notice boards, at the Village Shop and via the Nextdoor app (**nextdoor.co.uk**).

Together we will look after each other and support our community through this unprecedented situation.

**Thank you very much.**
