

## Keep Me As The Apple of Your Eye

Over the past 6 months the evening prayers of Compline have been a great source of comfort. Starting on Monday 7th September we shall be spending some time with the prayers and responses of this ancient liturgy looking at the history and background of the prayers and readings of which it is composed. We shall finish by praying through Compline together.

You are welcome to join me at 6.30pm in St Peter's Church, Over Wallop, or on-line by clicking this link <http://www.facebook.com/thewallopingvicar>

If you are intending to join me in person, please note that the usual social distancing measures will be in place and you are requested to wear a face covering if possible. We are limited to 30 people, and although I don't expect to exceed that number, it would be helpful to know in advance if you are coming, so please let the administrator know by email if you are hoping to attend [secpdteam@gmail.com](mailto:secpdteam@gmail.com)
