

REMEMBRANCE IN THE WALLOPS

Sunday November 8th

Due to Covid restrictions this year's Acts of Remembrance will be different from usual. There will still be services held by both churches (see Sunday services page), but places at the Over Wallop War Memorial have been reserved in advance..

Over Wallop: we should like to encourage others to replace (or add to) the rainbows in their windows with poppies, to stand on their doorstep and listen out for the church bells to ring at 11am and perhaps even hear a Reveille. Later in the day you will be welcome to come and lay poppy tributes in church or at the village cross. We aim to livestream the service from the Over Wallop Memorial. www.facebook.com/thewallopingvicar/live

WE WILL REMEMBER THEM
