
THE WALLOPS VILLAGE SHOP NEEDS SUBSCRIBERS

Please help support the shop as we help support you through the Pandemic

We hope you feel the shop has been there for you during this pandemic and is doing all it can to make your life easier during this difficult period.

We have undertaken a number of projects to improve COVID safety (counter screens, outside canopy) and general customer wellbeing with updated air-conditioning. These obviously don't come at zero cost, despite the majority of the work being undertaken by volunteers, so we need funds to pay for them.

With critical fundraising activities (village fête, bingo, quiz nights, etc.) being curtailed this year it is all the more important that we raise funds in other ways.

The shop operates as a community shop with villagers being subscribers to shares on an annual basis and this forms an important part of our funding strategy.

Are you a subscriber? If not please consider becoming a subscriber. In addition to supporting the shop, a subscriber is also able to attend the AGM and vote on motions, thereby directly influencing the direction and strategy of the shop.

It's that time when we would ask for existing subscribers to pay their annual £10 at the shop and would encourage those not already subscribers to join up and pay £10 (please ask in the shop to become a subscriber).

If you would rather support the shop by tax efficient donation (we get an extra 20% from the tax man at no cost to you) please do so at: www.localgiving.org/thewallopsvillageshop

Of course if none of the above work for you and you just want to donate, we of course welcome cash or cheque donations in the shop. Thank you!

The Wallops Village Shop Management Committee
