Outline Proposal

ABBOTTS ANN, UPPER CLATFORD, GOODWORTH CLATFORD
plus PORTWAY & DANEBURY (without WEST ANDOVER)
[AMPORT; GRATELEY; MONXTON; NETHER WALLOP; OVER WALLOP; QUARLEY]

Summary of the Outline Proposal

- The current constitution of Portway & Danebury as a Team Ministry will be brought to an end.
- The outline proposal is for the union of the Anna Benefice and the parishes of what is currently Portway & Danebury, without West Andover, to form a single new benefice.
- For there to be two stipendiary posts in the new benefice, an incumbent and associate.
- The Revd Matthew Grayshon intends to continue in post until his current license comes to an end in December 2022. The House for Duty post will not be replaced.
- The new benefice to be a single parish (with one PCC), though we understand this will need careful discernment.
- Agreement to be reached around the status of the churches of the new benefice.
